**STATEMENT OF FACTS IN SUPPORT OF PETITION
TO ACCEPT SUPPLEMENTAL DECLARATION WITHOUT SIGNATURE THE
INVENTOR IN A REISSUE APPLICATION**

This statement is being filed concurrently with a petition under 37 C.F.R. §1.183. This statement is made as to the exact facts that are relied upon to establish the diligent effort made to secure the execution of the supplemental declaration required in this Re-Issue application by the inventor, Pekka Lonka.

This statement is being made by an available person having first-hand knowledge of the facts recited therein.

I. IDENTIFICATION OF PERSON MAKING THIS STATEMENT OF FACTS

Name: Anu Ylinen

Address: Itämerenkatu 11-13, FI-00180 Helsinki, Finland

Title: IPR Administrator

II. LAST KNOWN ADDRESS OF THE NONSIGNING INVENTOR

Pekka Lonka

Full name of nonsigning inventor

Paasionkatu 5, FI-24100, Salo Finland

Last known address of nonsigning inventor

III. DETAILS OF EFFORTS TO REACH NONSIGNING INVENTOR, PEKKA LONKA, AND DETAILS OF REFUSAL OF NONSIGNING INVENTOR TO SIGN THE SUPPLEMENTAL DECLARATION PAPER

1. I, Anu Ylinen, am an employee of Nokia Corporation, and my responsibilities include, among others, interacting with inventors of Nokia Corp. applications as needed to get their signatures on formal documents.

2. In response to the request to provide a Supplemental Declaration in this ReIssue Application, I was responsible to contact the inventor, Pekka Lonka, provide him with the Supplemental Declaration papers for his signature, and then return the signed documents to the US Attorneys for filing in the United States Patent and Trademark Office in due course.

3. On or about 16 March 2009, a copy of the Supplemental Declaration was sent by me, Anu Ylinen, via email, to Mr. Lonka's work email address, pekka.lonka @ nokia.com. The delivery of that email failed. A copy of the auto-response indicating that delivery of the email failed was received on 16 March 2009, and is attached hereto as Exhibit A.

4. I contacted Mr. Lonka's manager at Nokia Corp. and was then informed that Mr. Lonka was no longer an employee of Nokia Corporation, the assignee of the instant re-issue application. I was informed that his employment with Nokia Corporation ended on or about March 2009.

5. I then sent the documents via regular mail to Mr. Lonka's last known residence address at Paasionkatu 5, FI-24100, Salo, FINLAND.

6. After neither receiving any reply from Mr. Lonka nor receiving the signed documents back from Mr. Lonka, I obtained Mr. Lonka's telephone number using

Fonecta Finder, an online phone book service in Finland. A copy of the web page from Fonecta Finder is attached hereto as Exhibit B.

7. On or about 22 May 2009, I then called Mr. Lonka by telephone and asked him about the status of the Supplemental Declaration that I had sent to him by mail. He informed me that he had received the Supplemental Declaration documents by mail. However, he sounded reluctant to sign them due the circumstances surrounding his employment termination, and indicated he had to think about the request and would call me back.

8. On or about 25, 26 May 2009, Mr. Lonka called me by telephone and stated that he would not sign the Supplemental Declaration papers.

9. On or about 17 July 2009, at the request of the US Attorney's handling the prosecution of this ReIssue Application before the US Patent and Trademark Office, I sent another set of Supplemental Declaration papers to Mr. Lonka, via certified mail, with a request that he sign and return the Supplemental Declaration papers to me as soon as possible. A copy of the tracking document for the registered letter from the Finnish postal service indicating that the papers were delivered to Mr. Lonka on 20 July 2009 is attached hereto as Exhibit C.

10. As of the date of this declaration, the signed papers have not been returned to me by Mr. Lonka.

11. Thus, it is respectfully submitted that Mr. Lonka refuses to sign the Supplemental Declaration papers despite our diligent efforts to obtain his signature.

12. Therefore, it is urged that since Mr. Lonka refuses to sign the Supplemental Declaration, despite our diligent efforts to obtain his signature, the Supplemental Declaration be accepted without his signature.

I hereby declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
